

Federal Government Subscription

A red graphic with rounded corners. The top half is white with the word "VERTICAL" in red, bold, sans-serif font. The bottom half is red with the words "FEDERAL GOVERNMENT" in white, bold, sans-serif font.

Subscription Description: This subscription service takes an in-depth look into the Federal Government industry, particularly as it relates to IT and telecom spending, trends, insights, and announcements. The Federal Government Vertical includes all civilian and defense agencies, departments, organizations, and offices of the US federal government. Ongoing data and analysis is provided on Federal Government investments in telecommunications, information technology, network hardware, and other important telecom and IT categories. Expenditure forecasts are broken down by Defense versus Civilian. Topical areas include IT investment, telecom investment, network investment, federal government applications, and more.

PRICE: US \$20,000 for 12-month Corporate-wide Access
